

TROY MONTERO HOSTS NEW SHOW ON IMMIGRATION

Immigration experts

Featuring 7 immigration lawyers from Reeves & Associates

STARTING Jan 31, Sunday at 4:30pm, a new weekly immigration show will go on air in America to help Filipino-American families with various immigration concerns. Titled *Immigration Experts*, the TV magazine show will be hosted by popular Fil-Am actor/host/singer/model

Troy Montero. The new show will present various immigration concerns which will be discussed by 7 lawyers who are all immigration experts from the law firm Reeves and Associates, the leading immigration firm in the United States.

For nearly 30 years, Reeves

& Associates has provided quality immigration legal services to the business community, families and individuals seeking visas, residency, citizenship or relief from detention and deportation proceedings. Known for its extraordinary commitment to clients, the firm's extensive record of experience - tens of thousands of successful cases - has earned it a strong reputation among clients, peers, US Citizenship and Immigration Services and immigration judges. In fact, the IndUS Business Journal named Reeves & Associates one of the "Top Immigration Law

Firms" in the United States in 2006 and 2007. In addition, its founder, Atty. Robert Reeves, and one of the partners, Nancy Miller, were voted by their peers as Super Lawyers in 2006, 2007, 2008 and 2009 as published in *Los Angeles Magazine* and the Los Angeles distribution of *The New York Times Magazine*.

With the *Immigration Experts* TV show, the general public can now also benefit from the firm's comprehensive knowledge, experience, and expertise in the field of immigration. Just by watching the weekly 30 minute show, viewers will gain access to the firm's vast knowledge of immigration law and ability to find cost-effective solutions from the seven immigration experts: all partners of Reeves & Associates - they are Robert Reeves, Nancy Miller, Joseph

Elias, Flomy Diza, Jeremiah Johnson, May Zhang, and Jeff Khurgel.

"The expertise of our lawyers will set our show apart from what is currently out there," explained Atty. Reeves. "Our lawyers deal with everyday real people. They know what they're doing and they provide real solutions. We're coming out with this show to educate people and warn them about the various immigration traps and pitfalls that Filipinos often fall into. For the first time, there will be a TV show that will feature the expertise of not just one, but seven immigration experts, who will all be giving their advice on different aspects of US Immigration. Each partner will give a detailed analysis of the subject that is being tackled. They will explain what you need to know

and what it takes to be successful in this difficult and complex world of immigration. This show will be totally different from the current immigration shows

Hi! Society

By MONET LU

HELLO everyone and happy new year to all! May this new decade bring us more blessings and prosperity.

For our 2010 opening salvo, I

am so excited to share with you the happenings, the parties and glamorous reunion bash around Los Angeles.

It was a nonstop celebration to usher in the new decade. As my good friend Sonny Madera said, he doesn't know how he survived three days of partying -- my sentiments exactly. That's why I went back to my yoga and workout to keep me sane and

have a balanced life. Zen is the word. Now on with the story.

Cathy de Leon's New Year's party became a reunion for all Fil-Am top models, beauty queens, stylists and friends who rarely see each other.

It was so exciting to see these ladies from my Reflections show many moons ago. To connect with and gather these top-notch personalities is not easy, but our good friends, Cathy and husband Dr. David, Thea Robles from New York, the alluring Yvette Bautista who came with her family from Shanghai and Los Angeles-based Gemma Hipolito made it happen.

Jane Brummet, Precious-Tongco, Didi Leoncio, Maribel

Lastimosa, Bong Dimayacac, Lorna Fernando, Janet Sales, Didi Foronda, Cathy and husband, former Mr. Asia, Gerry Current are some of the beautiful people who graced the occasion.

Adding fun and laughter were my wicked fashionista sisters -- Nardie Presa, Bong Lim, Alex Pineda, Yari Paris, Rene Roque and stylist Jun Capistrano, among others.

The highlight was the impromptu fashion show that was held at Dr. David Chun's beautiful Japanese garden and wow! These ladies can still kick the runway and give the new models a run for their money. Thank

you David and Cathy and for an amazing party.Bravo!

01-01-10 PARTY -- Congratulations to Mutch Carino and associates for the success of the New Year's party that was held at the Beverly Garlands in Studio City. It was also the launching of the VIP Gangs of Party People headed by Rachel Maglonzo, Rhyan Delez, Lou Sabas, Eugene Supnet, Grace Figue Elvie Manaloto and Dr. Mark Santos.

The very talented Leo Mercedes with the Common Ground band were excellent. Iris Leonardo, a young rising star, was well-applauded. Kudos to Musicmixx man Eric Tengco for the great lighting and sounds. I love 70's music, even modern dance music.

Beauty expert Cherry Ordonez, Joey Borao, Ricky Florez are some of the fashion winners that night. And folks this is just the beginning. Mutch is already inviting all the party peeps to the February 12 dance event that will be held at CBS Studio.

To all you guys,lets keep on dancing in 2010!

being aired now. Immigration Experts will be known for its down-to-earth, solid, no bull, straight-forward talk about immigration," said Attorney Reeves.

Aside from its meaty content, *Immigration Experts* will also have a different look that viewers will find exciting. "The show will have a polished, CNN-type look. The graphics will be great and everything will be viewer-friendly," said Pedring Lopez, the show's director and CEO of the Makati-based production agency, We Love Post, who are the production people involved in the show.

The handsome host will also be busy behind the scenes. Troy (born Cody Andrew Garabato Miller III on July 30, 1977 in Tacoma, Washington) is the agency's Marketing Director, who has been busy in the production of TV commercials in the Philippines. "I have always dreamed of being involved behind the camera. I will likewise be conducting one-on-one interviews with people and with the lawyers on particular topics," said Troy, who can relate to the show's concept, being a Fil-Am who has lived both in America and in Manila.

Immigration Experts is yet another testament to Reeves & Associates' strong passion and genuine concern for immigrants. Don't miss the show as it premieres on January 31, 2010 at 4:30pm over KSCIS-18 and Time Warner Cable Los Angeles, KTSF-26 San Francisco, KBTU Ch 8 Central Valley and New York.
